2024 : BERNATOM celebrates its 30th anniversary !

Dear customers, partners, and employees,

With a lot of emotions this year we are celebrating 30 years BERNATOM. Our father, Adolphe WEBER, founded the company in 1994 and since the beginning his unbelievable dynamic is influencing the company up to today.

30 years of passion, 30 years of innovations and constructive exchanges contribute to the success and persistence of our company.

All this would not have been possible without the support and the constant confidence of our customers. We thank you all hereby express our gratitude.

We also thank our indispensable partners with whom we forged durable and trustworthy relations and who accompanied us throughout all the years.

Thanks to our employees, loyal and devoted, who share our values and work with professionality, team spirit and motivation.

We express our sincere gratitude to all of you, who helped BERNATOM to become a solid reference in our business field.

Our adventure with you will continue, the BERNATOM turtle enduring and determined, is prepared to handle future challenges to everybody's satisfaction.

Best regards
